TRIAGE AND PRE-AUTHORIZATION GUIDELINES AND PROCEDURES

TRIAGE (ONLY APPLIES TO SERVICE IN THE USA)

Triage is a required process by which an Insured contacts GBG Assist **prior** to obtaining medical care and is directed by GBG Assist where to go to receive the appropriate level of care by a network provider. **TRIAGE IS MANDATORY** prior to seeking medical care at an emergency room unless the Insured is having a life-threatening emergency such as difficulty breathing, excessive bleeding, traumatic injury. A \$350 emergency room Co-Payment will be waived if the Insured is triaged and sent to the emergency room, waived for injury. GBG medical staff will make the final decision regarding Medical Necessity of the emergency room. **Call GBG at 1-800-817-4345 or email gbgassist@gbg.com**

Pre-Authorization is a process by which an Insured Person or a medical person on behalf of the Insured obtains approval for certain non-emergency, medical procedures or treatments prior to the commencement of the proposed medical treatment.

This requires the Insured or a medical person on behalf of the Insured to submit a completed Pre-Authorization Request form to GBG Assist, a minimum of 5 business days prior to the scheduled procedure or treatment date.

Pre-Authorization is required for the following services to maximize the benefits covered under the plan and to arrange for direct billing with the medical provider:

- Interfaculty Ambulance Transfer: No coverage if Pre- Authorization requirements are not met.
- Medical Evacuation: No coverage if not approved by the company.

Treatments and supplies listed below: Fifty percent (50%) reduction of eligible medical expenses if Pre-authorization requirements are not met. Maximum Penalty: \$1,000. The penalty amount is not applied towards the deductible. Medical Emergency Notifications must be received within 48 hours of the Admission or procedure. In instances of medical emergency, the Insured should go to the nearest Hospital or Provider for assistance even if that Hospital or Provider is not part of the Network.

- In-Patient Hospitalization
- Outpatient Surgery
- All CAT scans, PET scans, and MRIs
- Air Ambulance (Air Ambulance service will be coordinated by the Insurer's Air Ambulance Provider)

Call GBG at 1-800-817-4345 or email gbgassist@gbg.com

GBG Assist will review the matter and respond to the Insured or the medical person. To assure reimbursement for covered services, written approval from GBG Assist must be received by the Insured prior to the commencement of the proposed medical treatment. It is the Insured Person's responsibility to make sure Pre-Authorization is obtained when necessary. The Insured will obtain a letter of authorization, prior to the performance of those services for both Pre-Authorization requests and Network information, Customer Service representatives are available 24 hours a day, every day.

Please note: Some treatment requests may require longer than 5 days for the review process to be completed.

Notwithstanding the requirement to Pre-Authorize:

- Pre-Authorization approval does not guarantee payment of a claim in full, as Deductibles, charges in excess of Usual, Customary and Reasonable and out of pocket charges may apply.

Benefits payable under the Policy are still subject to Eligibility at the time charges are actually incurred, and to all other terms, limitations, and exclusions of the Policy.

This means for eligible expenses under your policy, a preferred provider will bill GBG Assist direct at the time of service and you would only be responsible for any deductible or copayment. You can search for a preferred network provider yourself via the link below or call GBG Assist for assistance at **1 800.817.4345***

You must contact GBG Assist within 48 hours of such an emergency. Failure to do so, may result in a reduction in benefits. Call 1-800-817-4345.

Services rendered in the emergency room are extremely expensive in the USA so you need to carefully determine whether or not it is appropriate to go there for treatment. Do not go to the ER only because it is the only place open or for treatment of a minor illness or injury. There are alternatives to the ER. In fact, if you go to the ER for a non-serious condition, be prepared to wait a very long time as patients with more serious conditions will take priority. In addition, if you are not admitted to the hospital, you will be billed a **\$350 copayment** in addition to any applicable deductible or co-insurance. Go to the emergency room only for serious or life threatening conditions such as: difficulty breathing, uncontrolled bleeding, severe burns, stroke symptoms, chest pain.

NOTE: Non-Emergency Use of a hospital Emergency Room for an illness that DOES NOT result in admission will have a 350 USD deductible that must be paid by you, the insured.

Use an Urgent Care or Walk-In Clinic

The alternative to the ER is an Urgent Care Center sometimes referred to as either Walk-In Clinics or Convenient Care. Urgent Care is for same day treatment, but it is not for serious or life threatening conditions. If the condition you have is one that you would normally visit your doctor's office, then you should go to Urgent Care instead of the ER although Urgent Care is not intended for routine preventive care. Urgent Care has extended hours and is open weekends and some holidays. No appointment is necessary although you do want to visit one in network if possible ([UHC Provider Link](#)) - or call GBG Assist Customer Service at **1 800 817 4345***). Go to Urgent Care for non-emergency conditions such as:

- ✓ Sore throat, Common Cold or Respiratory Infections
- ✓ Ear pain, Eye or Skin Infections
- ✓ Allergies
- ✓ Painful urination
- ✓ Vomiting
- ✓ Minor injury (sprains/strains)
- ✓ Minor broken bones (such as hand, fingers, foot, toes)

Search for an Urgent Care or Walk-in Clinic at:
[UHC Provider Link](#)
or call Customer Service at: **1 800 817 4345**

All pre-existing medical conditions are excluded from coverage under this policy.

Pre-Existing Condition means any illness or injury, physical or mental condition, for which an Insured Person received any diagnosis, medical advice or treatment, or had taken any prescribed drug, or where distinct symptoms were evident prior to the effective date. The Terms and Conditions related to this plan's Pre-Existing Conditions are described in the insurance conditions (available in your MyInsurance Area).

Routine health checkups or preventive care are NOT covered under this policy.

This policy is only intended to cover you for an eligible illness or injury which you incur during your program. The policy does not provide any coverage for routine care such as annual gynecological exams, school or sports physicals, or immunizations.

Si se enferma o lesiona: ¿Cómo encontrar un proveedor médico dentro de la Red PPO?

Su póliza utiliza el UnitedHealthcare Options PPO Network. Los proveedores médicos que pertenecen a esta red son considerados proveedores preferidos y tienen un contrato con el administrador de su póliza para facturarles directamente por servicios prestados a sus participantes. Esto significa que tendrá gastos subvencionales bajo su póliza, un proveedor preferido facturará directamente a GBG Assist al momento del servicio y usted sería el único responsable de cualquier deducible o copago. Usted puede buscar por su cuenta una red de proveedores preferidos en el siguiente enlace, o llamar a GBG Assist para solicitar ayuda al **1 800.817.4345***

Busque una clínica de atención urgente o ambulatoria en [UHC Provider Link](#)
o llame a servicio al cliente al **1 800.817.4345**

Se requiere pre-autorización para ciertos servicios. Llame al 1-800-817-4345.

Los siguientes tratamientos y/o suministros siempre deben ser preautorizados. La falta de pre-autorización resultará en una reducción del 50 % en gastos elegibles, y una sanción de hasta \$1000 máximo:

- Hospitalización
- Cirugía ambulatoria
- Exploración por CAT, resonancias magnéticas, exámenes PET
- Ambulancia aérea (este servicio estará coordinado por el Proveedor de ambulancia aérea de la aseguradora)

Se debe contactar a GBG Assist antes de buscar tratamiento médico, incluyendo tratamiento en una sala de emergencias, salvo que tenga una emergencia que ponga en riesgo su vida. Debe ponerse en contacto con GBG Assist dentro de las 48 horas de dicha emergencia. Al no hacerlo, puede haber una reducción de los beneficios. Llame al 1-800-817-4345.

Los servicios prestados en la sala de emergencias son extremadamente costosos en los EE.UU., por lo que es necesario que determine con cuidado si es apropiado o no ir ahí por tratamiento.

No acuda a la sala de emergencia solo porque es el único lugar abierto o para tratar una enfermedad o lesión menor. Existen alternativas a la sala de emergencias. De hecho, si acude a la sala por una condición no grave, prepárese para esperar un largo tiempo, ya que pacientes en condiciones más graves tendrán prioridad. Además, si no es admitido en el hospital, se le facturará un **copago de \$350** en adición de cualquier deducible o coaseguro aplicable. Acuda a la sala de emergencias solo en casos de condiciones graves o que pongan en riesgo su vida, como dificultad para respirar, sangrado descontrolado, quemaduras severas, síntomas de derrame, dolor de pecho.

NOTA: El uso que no sea de emergencia de una sala de emergencias de un hospital debido a una enfermedad que NO resulte en admisión resultará en una deducción de 350 USD que usted como asegurado deberá pagar.

Use una clínica de urgencias o ambulatoria

La alternativa a la sala de emergencias es un Centro de cuidados urgentes, el cual es llamado “Clínicas ambulatorias” o de “cuidado conveniente”. Cuidados urgentes se usa para tratamiento ese mismo día, pero no es para condiciones graves o potencialmente mortales. Si la condición que padece es una con la que normalmente visitaría el consultorio de su médico, entonces debe acudir a Cuidados urgentes en lugar de la sala de emergencias, aunque el primero no está destinado a cuidados preventivos de rutina. Cuidados urgentes tiene horarios extendidos, y está abierto en fines de semana y algunos días festivos. No se necesita cita, aunque si es posible, puede visitar uno de la red ([UHC Provider Link](#)) – o llamar a servicio al cliente de GBG Assist al **1 800 817 4345***. Acuda a Cuidados urgentes para condiciones que no sean de emergencia, como:

- ✓ Dolor de garganta, resfriado común o infecciones respiratorias
- ✓ Dolor de oído, infecciones de ojos o de la piel
- ✓ Alergias
- ✓ Micción dolorosa
- ✓ Vómito
